

FOR IMMEDIATE RELEASE

Joint Communication from County of Clark and City of Arkadelphia

ARKADELPHIA, Ark. (March 19, 2020) – The news of a positive result of the COVID-19/Coronavirus has been anticipated by County and City leadership over the course of the past weeks. The spirit of cooperation between all entities has led to significant strategic planning to ensure the public safety and welfare during this unique time. County and City Officials will make a full statement tomorrow as how best to address the new directives from the Governor’s Office that were released today. Please follow www.arkadelphia.gov and the City of Arkadelphia Facebook page for further updates.
