I understand the requirements to conform to the Storm Water Pollution Prevention plan and keep the streets and drainage systems of Arkadelphia free of sediments, debris and trash. I understand that clean-up cost will be charged to the owner/builder if cleanup is necessary by the City. I also understand that inspections by the City will not be made unless appropriate storm water pollution prevention measures are in place and maintained throughout the project. I understand and agree to abide by the Storm Water Pollution Prevention Plan and acknowledge it is the responsibility of the owner and builder to be familiar with and understand the Storm Water Pollution Prevention Ordinances.
